## The Lake

## **Laurie Anderson**

I walk accompanied by ghosts. I walk accompanied by ghosts.

My father with his diamond eyes His voice life size. He says follow me. Follow me.

And I come sliding where I've been hiding Out of the heart of a child.

Meet me by the lake. Meet me by the lake. I'll be there. I'll be there.

If only I had the time. To tell you how I climbed Out of the darkness. Out of my mind.

And I come sliding where I've been hiding
Out of the heart of a child.

Sunrise comes across the mountains. Sunrise comes across the day. Sunsets sit across the lakeside. Sunsets across the Pyrenees.

Out of the heart of a child. Out of the heart of a child. Out of the heart of a child.

Meet me by the lake. Meet me by the lake. I walk accompanied by ghosts.
