

# Thinking of You

Laurie Anderson

Sky flying birds. Flying over cities.  
Flying over mountains,  
Sky flying moon. Sailing over wide plains.  
Pulling on the oceans.

Snow flies around. Snow flies around.  
Snow flies around. It's falling on the circus.  
Falling on the circus.

Snow flies around. Snow flies around.  
Snow flies around. It's falling on my little hometown.  
Falling on my little hometown.

In the house. In the fire.  
In the house. In the fire.

Snow flies around. Surrounds my town.  
It knocks us down.  
It's falling on the circus.  
Falling on my little hometown.  
Snow flies around. It knocks us down.  
Surrounds my town.  
It's falling on the circus.  
It's falling on my little hometown.

Can't believe I had such a beautiful baby  
Can't believe I had such a wonderful life  
Can't believe I had such a beautiful body  
Can't believe I had such power and fear and strife.

I was thinking of you. And I was thinking of you.  
And I was thinking of you.  
And then I wasn't thinking of you anymore.
