

# Bottle It

Leah McFall

Didn't see the falling sand  
Didn't think you'd find another  
Thought time was in my hands  
Still can't believe you found another  
No

I wish that I could pour out what's on my mind  
My lips have been glued  
Cap has been screwed  
Still in love with you  
I wish that I could pour out

Every time I try to forget you  
You're on my mind  
I bottle it all up inside  
Every time I try to forget you  
You're on my mind, my mind  
I bottle it all up inside  
You're on my mind, on my mind

You're full of someone new  
I didn't think that that would happen  
I was ready to tell you  
But now I have to cap it, oh no

I wish that I could pour out what's on my mind  
My lips have been glued  
Cap has been screwed  
Still in love with you  
I wish that I could pour out

Every time I try to forget you  
You're on my mind  
I bottle it all up inside  
Every time I try to forget you  
You're on my mind, my mind  
I bottle it all up inside  
You're on my mind, on my mind

Boiling up, 'bout to explode  
I should be with you but I'm on my own  
Ready to say love to you  
How could you be with someone new?  
You're on my mind  
On and on  
On and on and on and on  
On and on and on and on

Every time I try to forget you  
You're on my mind  
I bottle it all up inside  
Every time I try to forget you  
You're on my mind, my mind  
I bottle it all up inside  
You're on my mind, on my mind
