

Forgiveness

Ledisi

I tried to give you the wheel
You didn't want to control me
You didn't make me warm inside
So you got the cold me
I used to be an angel
Now I'm unholy, unholy
I feel I took so much from you
You owe me
I know I played my cards dirty in this game
But you know I took you back when you did the same thing
We know love is a gamble
Why you tryna fold me?
Tryna fold me, oh

You owe me my forgiveness
You owe me my forgiveness
Baby, baby, baby, baby
You owe me my forgiveness

If the blind lead the blind
Which one is wrong?
I blame myself for letting you make me stoop so low
Oh, hate me now but you taught me everything I know
I did my thing out there
But welcome me home
I know I played my cards dirty in this game
But you know I took you back when you did the same thing
We know love is a gamble
Why you tryna fold me?
Tryna fold me, oh

You owe me my forgiveness
You owe me my forgiveness
Baby, baby, baby, baby
You owe me my forgiveness

Welcome me back (home)
I gave you my heart, you broke it (home)
Oh, and how quickly have the tables turned (home)
Everything I learned
I learned it from you, so don't be mad (home)
Take me back like I did for you
Baby, baby, baby, baby
You owe me my forgiveness

You owe me my forgiveness
You owe me my forgiveness
Baby, baby, baby, baby
You owe me my forgiveness

Forgive me, babe
Forgive me, uh
Forgive me, ooh
Hey just like I did for you
Baby, baby
You owe me my forgiveness
