

# Knockin'

Ledisi

I hear you knockin' but you can't come in  
I hear you knockin' but you ain't gon' win  
I hear you knockin', I hear you knockin'  
I hear you knock, knock, knock, knock, knockin'

Workin' day and night  
Gotta get up and pay my bills  
People want what they want  
They don't care about how you feel

You ain't gon' get me today  
You better move out of my way  
I got a whole lot to live for  
Don't wanna hear the blues today

Economy down, said news  
'Cause we bought the war  
Change comes like the wind  
Now I know what hope is for

I see the sun on my face and you won't hear me complain  
Hey, 'cause I can't let the dark days  
Bring me down, got a lot of things to say  
Don't be knockin' at my door

I hear you knockin' but you can't come in  
I hear you knockin' but you ain't gon' win  
I hear you knockin', I hear you knockin'  
I hear you knock, knock, knock, knock, knockin'

I hear you knockin' but you can't come in  
I hear you knockin' but you ain't gon' win  
I hear you knockin', I hear you knockin'  
I hear you knock, knock, knock, knock, knockin'

People always usin' other people  
Tryin' to get ahead  
Runnin' after the light  
Never thinkin' about they said

Hey, what's the matter with you?  
You need to watch what you do  
Hey, you got to get your head straight  
Live your life and do what He told you to do

Early Sunday mornin'  
Preacher talkin' 'bout savin' souls  
He said, "I don't have all the answers  
I'm just here to try to let you know"

Every time that you pray a blessin' comes right away  
Don't let the hard times take your spirit  
Move the devil away  
Don't be knockin' at my door

I hear you knockin' but you can't come in  
I hear you knockin' but you ain't gon' win

I hear you knockin', I hear you knockin'  
I hear you knock, knock, knock, knock, knockin'

I hear you knockin' but you can't come in  
I hear you knockin' but you ain't gon' win  
I hear you knockin', I hear you knockin'  
I hear you knock, knock, knock, knock, knockin'

Don't be knockin' at my door

I hear you knockin' but you can't come in  
I hear you knockin' but you ain't gon' win  
I hear you knockin', I hear you knockin'  
I hear you knock, knock, knock, knock, knockin'

I hear you knockin' but you can't come in  
I hear you knockin' but you ain't gon' win  
I hear you knockin', I hear you knockin'  
I hear you knock, knock, knock, knock, knockin'
