

# Please Stay

Ledisi

Stay, you don't have to go  
Please stay with me  
Boy, I wanna play  
You ain't gotta go, just stay with me

There ain't nobody here but you and me  
And I must say I'm glad you're here with me  
We're so close and I got it so bad  
I wanna give you something that you never had

We're always together, we're never apart  
You keep showing me new things, stealing my heart  
I'm tired of holding back and taking it slow  
Tonight's gon' be different, I'm just letting you know  
'Cause I want you to

Stay, you don't have to go  
Please stay with me  
Boy, I wanna play  
You ain't gotta go, just stay with me

Come on, let's be real, you want me to  
Ain't no reason to hide, say what you wanna do  
You like to kiss and I like to touch  
We can stay here forever 'cause I love you so much

Let's stay together, let's never part  
You keep showing me new things 'cause you're in my heart  
We ain't gotta hold back, we can take it slow  
Tonight is so different, I'm so glad you know  
And I want you to

Stay, you don't have to go  
Please stay with me  
Boy, I wanna play  
You ain't gotta go, just stay with me

Stay, stay, stay, stay with me  
Stay, stay, stay, stay with me  
Stay, stay, stay, stay with me  
Stay, stay, stay, stay with me

Stay, you don't have to go  
Just stay with me  
Boy, I wanna play  
You ain't got to go, just stay with me

Boy, I wanna play  
You ain't got to go, just stay with me  
Boy, I wanna play  
You ain't got to go, just stay with me  
Stay with me
