

# Thank You

Ledisi

Cannot believe  
What He's done for me  
So I had to write a song to say thank you  
Was lost now I'm found  
His love has turned me around  
I just had to take the time to say thank you

Because of you I am able  
To say and read all the things I am called to do  
And everyday I'm so grateful  
That's why I decided to dedicate this song to you

You bring me joy  
You've changed my life  
When I wake up every morning I just gotta say thank you

Cannot believe  
What He's done for me  
So I had to write a song to say thank you  
Was lost now I'm found  
His love has turned me around  
I just had to take some time to say thank you

Some people might think I'm crazy  
How I choose to show all the love that I have for you  
Lord God you've given me everything  
Above and beyond all the things I have asked of you

You bring me joy  
You've changed my life  
When I wake up every morning I just gotta say thank you

Cannot believe  
What He's done for me  
So I had to write a song to say thank you

Was lost now I'm found  
His love has turned me around  
I just had to take the time to say thank you  
(X2)

My life, my strength, He has given me  
Peace, love, joy and in the midst possibilities  
I wish I had all the words to express all the love that He has given to me  
I feel so blessed

Cannot believe  
What He's done for me  
Oh and I had to write a song to say thank you  
Was lost now I'm found  
His love has turned me around  
Turn me around, I had to say thank you

I use to worry now  
I never get to worry  
Cos I know that you got me when the world has fallen down on me  
When the world's always against me

You're there by my side  
And u always found a way  
That's way I gotta say thank you

They say that joy comes in the morning  
And I'm so glad that you found me  
And I had to take some time just to thank you  
Thank you

Couldn't make it without ya  
Couldn't be here without ya  
Couldn't sing my song without ya  
I gotta say thank  
Thank you
