

# Turn Me Loose

Ledisi

I called you yesterday  
Your too busy to have a conversation  
I'm trying hard to hold on to us but  
Seems like you don't wanna stay

So tell me Why Is it someone takin my time  
Tell me what the truth is  
I don't wanna do this  
Ain't no use in trying to stay  
If you gone turn me loose

Uh ah mmm If you gone turn me loose (2x)

Well you use to be sweet to me  
Now it feels like a bad situation  
You said you loved but you have changed  
I'm tired of runnin  
Runnin after you  
So now I'm gone get my thangs and walk out the door  
(I don't wanna hear it)  
I know what the truth is  
I ain't tryna do this  
Ain't no use in tryin to stay  
If you gone turn me loose

Baby yeah  
If you gone turn me loose  
Why should I stay?  
You need to let me go baby  
Turn me loose  
Somebody gone want me  
Gotta let you go  
Gotta let you go  
Gotta let you go

So now, I'm gone get my thangs and walk out the door  
I don't wanna hear it  
I know what the truth is  
I ain't tryna do this  
Ain't no use in tryna stay  
If you gone turn me loose

If you gone turn me loose  
Tryna hold on to us  
If you gone turn me loose  
Say what you gonna do  
If you gone turn me loose

When I call you don't answer  
Say what you gonna do if you gone turn me loose  
You need to let it go

Uh ah mmm  
Turn me loose!  
Say what you gone do  
If you gone  
Say what you gonna do

SOMEBODY GONE TREAT ME RIGHT  
Better than you!

Let me gooo  
Baby baby

What you gone do, turn me loose!
