

# Where I Am

Ledisi

Where you at, love?  
You're falling far behind  
Are you keeping up or giving up  
Which one?  
Why'd you look down?  
I know you're scared of heights  
It ain't fun if it's easy

You gon' have to cross that bridge  
If you wan' be where I is  
Don't go talkin' big and poppin' shit  
If you cannot handle it

If you want me  
Then meet me where I am (where I am)  
Yeah, you see where I am  
So catch me if you can  
Don't go backing down, baby, no  
'Cause you need what I am (where I am)  
They can't be what I am  
So catch me if you can

'Cause I ain't bout to wait up  
You need to stay on my heels  
Ain't taking time to play seek and find  
'Cause there's much more  
Behind my closed doors  
Climb up a few floors  
Get on my level  
I bet you'll be glad you did but first

You gon' have to cross that bridge  
If you wan' be where I is  
Don't go talkin' big and poppin' shit  
If you cannot handle it

If you want me  
Then meet me where I am (where I am)  
Yeah, you see where I am  
So catch me if you can  
Don't go backing down, baby, no  
'Cause you need what I am (where I am)  
They can't be what I am  
So catch me if you can

Mmm, elevate yourself (elevate yourself)  
Don't play yourself (don't play yourself)  
Don't miss out on a good thing, no  
Get your mind right (get your mind right)  
If you want my time (my time)  
Don't miss out on a good thing, ooh

Meet me where I am (where I am)  
Yeah, you see where I am  
So catch me if you can, yeah  
'Cause you need what I am (where I am)  
They can't be what I am

So catch me if you can

Oh, where I am

Give it right

Get it together, baby

Meet me where I am
