

Green With Me

Lee DeWyze

It's up to you
It's up to me
All of us
One at a time

And they'll turn off all the lights in the world
And we'll be fine, we'll be find

Our world as we know has gone green
Don't let it pass you by
And we keep on turning round in circles

Don't you ever wonder why
We get older
Pass it down to younger eyes
And we keep on going on
And we keep on going on

Go green with me
Go green with me
Go green with me

Stop and stare at the world around you
As it's flying back
Wind is singing
Trees are dancing

Clouds romancing the sky
And we keep on going on
And we keep on going on

Go green with me
Go green with me
Go green with me
Go green
