

# It's Gotta Be Love

Lee DeWyze

And when I woke up in a different apartment  
Having flashbacks since I get up off the carpet  
And I say, hold on, I think I remember  
Over a couple of shots in an old Jew box I met her

I say, call me crazy, but what am I to do  
I don't know your name, but I'll never get over you

It's got to be love,  
I've never been so sure of this before  
I know you think so  
It's got to be love  
Cause everything is upside down and  
My knees are weak, my heart skipped a beat  
All because it's gotta be love  
It's gotta be love, oh no no

I keep on lookin' over my shoulder  
I swear I hear your voice, but no I'm just hungover  
I keep searchin' out through all of my pockets  
Until I found your name and number I won't drop it

I say, call me crazy, but what am I to do  
I wonder if you feel the same, cause I'll never get over you

It's got to be love  
I've never been so sure of this before  
I know you think so  
It's got to be love  
Cause everything is upside down and  
My knees are weak, my heart skipped a beat  
All because it's gotta be love

I used to laugh at this before  
But when you're awondrous  
It's so hard, you're lying on the floor  
Love, love at first sight was so much more  
And this heartache makes my headache  
So easy to ignore

It's gotta be love  
It's gotta be love, oh no no  
Cause I'll never get over you

It's got to be love  
I've never been so sure of this before  
I know you think so  
It's got to be love  
Cause everything is upside down and  
My knees are weak, my heart skipped a beat  
All because it's gotta be love  
It's gotta be love  
It's gotta be love  
It's gotta be love, oh no no  
It's gotta be love  
Cause it's gotta be love  
It's gotta be love

It's gotta be love  
It's gotta be love, oh no no  
It's gotta be love  
It's gotta be love
