

The Breakdown

Lee DeWyze

You know it's always been hard for me
I guess it's easier if I don't see
That you were never that innocent
And I was much more forgiving then

But then again, who warned me?
All I was yours free
I was prepared for the breakdown
Prepared for the breakdown
I was prepared for the breakdown
Prepared for the breakdown

It was the night of the fireworks
When I saw that you didn't hurt
And all your friends say you're doing well
They didn't have much to tell

But then again, who warned me?
I realized that I couldn't stay
I was prepared for the breakdown
Prepared for the breakdown
I was prepared for the breakdown
Prepared for the breakdown

How nice of you to take your time
Out of sight, out of mind

I was prepared for the breakdown
Prepared for the breakdown
I was prepared for the breakdown
Prepared for the breakdown

That you were never that innocent
And I was much more forgiving then
