

Australian Boy

Lee Kernaghan

I got roots where the saltbush grow
I'm an Australian Boy
In the land of boredom and brigalow
I'm an Australian Boy

I'm workin' a rig for BHP
I'm an Australian Boy
I've got a girl back in Emerald, waitin' for me
I'm an Australian Boy
Stuck out here at the end of the line
I got a few mates and I'm doin' alright

I hit the weekend like a 303
I'm an Australian Boy
Kickin' up a dust storm, blowin' off steam
I'm an Australian Boy
I'm stuck in traffic on Flinders Street
It's the Blues and the Bombers at the MCG

It's layin' rubber on the road
Turnin' up the heat
Havin' big times, hittin' red lines
Takin' knocks and getting' back on your feet

I'm a Townsville digger in Afghanistan
I'm an Australian Boy
Tell the kids that I'll be home soon
I'm an Australian Boy

I'll stand by my mates, I stand by the flag
I'm an Australian Boy
I believe in the green and gold
I'm an Australian Boy
