

I Want You

Leela James

Well, you know, baby
I mean, I-
I'm doin' all this (Just to be with you)
(Just to be with you)

Feelin' like I wanna, uhh
Get a taste of your love
Shh, hush, don't say a word
Let the vibe be enough (Just chill)
'Cause all we have is tonight
Baby, make it right
Get lost in the moment
Love on me like you own it
Make me say I'm yours
And you're all mine, yeah

This must be love
'Cause I'm so turned up
I got to have you, I can't take no more, no, no

Ooh-ooh, ooh, I want you, baby (Mm, said I want you)
I want you, I want you, baby
Ooh-ooh-ooh, ooh, ooh, ooh-ooh, I want you, baby
I want you, I want you, baby (Ooh, I want you, baby, baby)

We can do it right here
Take it down to the floor (The floor, fasho)
Hit me on the one, 'til I can't take no more, no more, no more (No more, no more)
Keep it right there and make it feel good and
Rock it steady, let's ride
Don't slow down, down, down
Don't slow down, yeah

This must be love
'Cause I'm so turned up
I got to have you, I can't take no more, no, no

Ooh-ooh, ooh, I want you, baby (Said I want you, ooh)
I want you, I want you, baby (Ooh, I need you right here with me)
Ooh-ooh-ooh, ooh, ooh, ooh-
ooh, I want you, baby (I want you right here with me)
I want you, I want you, baby (I want you, I want you, I'm tired of being alone)

This must be love
'Cause I'm so turned up
I got to have you, I can't take no more, no
I said I really need you, baby
Go on and play it
Play it, play it for me
I want you, I want you, I want you, I want you
I-I-I, one more time, say it
I want you, I want you, I want you, I want you
I need you right here with me
I want you right here with me
Stay with me, stay with me, stay with me, stay with me
