

Shallow Grave

Leftfield

I'm not ashamed, I've no love, I've no rejection
I've no faith to declare my feelings
Take trust for instance, or friendship
These are the important things in life
These are the things that matter
That help you on your way
If you can't trust your friends, well, what then... What then?

Oh, yes. I believe in friends
I believe we need them
But if one day you can't trust them any more, well, what then..
.
What then?
