

# Can't Let Go

Lemar

Take it back to the days  
When we were in love  
And love was enough  
Take it back to the days  
When I had your heart  
And you had my soul  
Oh oh oh [x2]  
I had your heart and you had my soul  
Oh oh oh [x2]  
'Cause I can't let go

Find me in the morning  
By the riverside  
Watching boats sail by  
Thinking 'bout you  
Find me in the morning  
By the riverside  
Watching boats go by  
Thinking why

Give me joy in my heart  
And let me celebrate  
What we desecrated  
Saw the sign  
But we crossed the line  
Broke the line too many times  
Oh oh oh [x2]  
I can't let you go  
Oh oh oh [x2]  
We can't let go

Hey

Find me in the morning  
By the river side  
Watching boats sail by  
Thinking 'bout you  
Find me in the morning  
By the river side  
Oh yeah

Took the world  
My universe  
From the cross to the grave  
Saw the light  
But we couldn't reach it  
Far from grace, far from grace  
Oh oh oh [x2]  
I can't let you go  
Oh oh oh [x2]  
We can't let go

Yeah!

Find me in the morning (Hey!)  
By the river side (By the river side)  
Watching boats sail by (Boats go by)  
Thinking about you (Thinking bout you girl)

Find me in the morning (Hey!)  
By the river side (Oh)  
Watching boats go by (By)  
Thinking about you (Why, why, why)  
Oh oh oh [x4]  
'Cause I can't let go

Find me in the morning  
By the river side  
Watching boats sail by  
Thinking 'bout you  
Find me in the morning  
By the river side  
Watching boats go by  
Thinking why
