

Someday We'll Be Together

Lemar

Say say
Someday well be together
Say say say say it agaan
Someday well be together
Your far away
From me my love

And just assure my mind baby
As there's stars above

I wanna say I wanna say I wanna
Someday well be together
Someday well
Yes we wi yes we will

My love is yours baby
Ooh right from the start
You you you posses my soul honey

And I know I know your my heart
And I wanna say
Someday well be together
Yes we will
Someday well
Tell everybody now
We'll be together
Yes we wil
Long time ago
My my sweet
I made a big mistake honey
I say goodbye
I said googbye
To you baby
Never never never ever
Ever since back then
All I wanna do
(All I wanna do)
Is cry cry cry
I long for you
Every night every night
Just to kiss your sweet sweet lips baby
Hold ya ever so tight

I wanna say
Someday well be together
Well be together
I know I know I know see
Someday well be together
I know I know I know I know I know
Someday well be together
Someday well be together
I wanna be with you
Your gonna be with me
Someday well be together
Someday well be together
Someday well be together
I know I know I know
