Dm **C**
 You are the most beautiful thing I've ever seen
G **Daug** **Dm** **C**
 You shine just like sun that rains on the winter snow
Cm **G**
 I just had to...tell you so
G **Daug** **Dm** **C**
 Your eyes sparkle as the stars, like the moon that glows
G **Daug** **Dm**
C
 Your smile could light the world on fire...or did you know
G **Daug** **Dm** **C**
 Your mind's full of everything that I wanna know
Cm **G**
 I just had to let you know
Cm **G**
 I just had to tell you so
Cm **G**
 You're my butterfly...flyin' high
Cm **G**
 Flyin' high...fly, fly, fly...
