

# Who Really Are the Monsters?

Lenny Kravitz

Who really are the monsters?  
Maybe it's time to stare  
Straight into the mirror  
Is anybody there?  
We like to start the party  
And we don't really care  
If you come down with us  
It's all so debonair

The war won't stop as long as we keep dropping bombs  
Dropping bombs  
The war won't stop as long as we keep dropping bombs  
Dropping bombs

Start communicating...  
Start communicating...  
Start communicating...  
Start communicating...  
Start communicating...  
Start communicating...

It's all about the money  
It's all about the fame  
It's all about control  
It's all about the game  
Now their heads are rolling  
And there's no place to hide  
Terror is overflowing  
And it's from the inside

The war won't stop as long as we keep dropping bombs  
Dropping bombs  
The war won't stop as long as we keep dropping bombs  
Dropping bombs

Start communicating...  
Start communicating...  
Start communicating...  
Start communicating...  
Start communicating...  
Start communicating...

We just keep on dropping bombs  
Just keep on dropping bombs  
Keep on dropping bombs

Who really are the monster
