

## Bet Ain't Worth the Hand

Leon Bridges

I better slow down  
'Cause I keep keep trippin' on words I don't wanna say  
Just tell me right now  
'Cause I keep keep seein' the signs you want me to stay

I can't commit, I can't make plans  
Sometimes the bet ain't worth the hand  
I think you're special, it makes me sad  
Don't wanna wonder what we could've had  
And I hope you understand  
Don't get your feelings broken for nothin'  
Maybe I'm leavin'  
Leavin' here with nothin'  
I might regret that I can't be your man  
Sometimes the bet isn't worth the hand  
And I can't keep lettin' this wave carry me away  
So tell me right now  
'Cause I keep keep seein' the signs you want me to stay

I got it bad  
I think you know  
You're everything, you're beautiful  
But my life is fast, can't make it slow  
We're here right now  
Kiss me before I go, but you got to let me go  
Don't get your feelings broken for nothin'  
Maybe I'm leavin'  
Leavin' here with nothin'  
I might regret that I can't be your man  
Sometimes the bet isn't worth the hand  
(I been hurt before, don't wanna hurt no more)  
Sometimes the bet isn't worth the hand  
I gotta let ya know girl  
I can't let it go any longer  
Sometimes it ain't worth the hand
