

So Long, Marianne

Leonard Cohen

- G** **Ami**
1. Come over to the window, my little darling,
C **G**
I'd like to try to read your palm.
F **C**
I used to think I was some kind of gypsy boy,
Emi **D - D7**
before I let you take me home
G **Emi**
R: Now so long Marianne it's time that we began
D **D7** **D** **D7** **G - C-G-C-G**
to laugh and cry and cry and laugh about it all again.
G **Ami**
2. Well, you know that I love to live with you,
C **G**
but you make me forget so very much.
F **C**
I forget to pray for the angels,
Emi **D - D7**
and then the angels forget to pray for us.
R:
G **Ami**
3. We met when we were almost young,
C **G**
deep in the green lilac park.
F **C**
You held on to me like I was a crucifix,
Emi **D - D7**
as we went kneeling through the dark.
R:
G **Ami**
4. Your letters they all say that you're beside me now,
C **G**
then why do I feel alone?
F **C**
I'm standing on a ledge and your fine spider web
Emi **D - D7**
is fastening my ankle to a stone.
R:
G **Ami**
5. For now I need your hidden love,
C **G**
I'm cold as a new razor blade.
F **C**
You left when I told you I was curious,
Emi **D - D7**
I never said that I was brave.
R:
G **Ami**
6. Oh, you are really such a pretty one,
C **G**
I see you've gone and changed your name again.
F **C**
And just when I climbed this whole mountainside
Emi **D** **D7**
to wash my e...yelids in the rain.
R:
