

Captive

Leprous

Taken
My limitations
To enable
All my temptations

Unchained
From my creation
Nothing precious
Without fixation

Deny
Kept in chains
Fly
Run away

Leashes leaving me conscious
While I'm searching
In the distance

Focus
Keeping me captive
So I don't get lost

With chains on my back
I fly

Deny
Kept in chains
Fly
Run away

Deny
Kept in chains
Fly
Run away
