Stayed in bed all morning just to pass the time There's something wrong here, there can be no denying One of us is changing or maybe we've just stopped trying

And it's too late, baby, now it's too late Though we really did try to make it Something inside has died and I can't hide And I just can't fake it Oh no, no, no, no, no, no, no)

It used to be so easy living here with you You were light and breezy and I knew just what to do Now you look so unhappy and I feel like a fool

And it's too late, baby, now it's too late
Though we really did try to make it (we can't make it)

Something inside has died and I can't hide And I just can't fake it Oh no, no

There'll be good times again for me and you But we just can't stay together, don't you feel it too Still, I'm glad for what we had and how I once loved you

But it's too late, baby, now it's too late
Though we really did try to make it (we can't make it now)
Something inside has died and I can't hide
And I just can't fake it
Oh no, no, no, no, no

It's too late, baby
It's too late, now darling
It's too late
