

Let Me Dream

Lesley Gore

Is this really happening
Am I only dreaming I'm holding your hand
Oh I wake up and find
I'm going out of my mind

If I'm asleep let me keep right on
Dreaming
Let me dream
Don't wake me
Just let me dream of you

I never knew such happiness
Never felt the way that I'm feeling right now
And I don't know what to do
I'm going crazy for you
If I'm asleep let me keep right on
Dreaming

Let me dream
Don't wake me
Just let me dream of you

This is new to me
And I should be
More doubt the when you say you're in love with me

I know that I should be ware
But I don't care
Cause even if you fade away
Tomorrow is another day for
Dreaming

Let me dream
Don't wake me
Just let me dream of you

Well, this is new to me
And I should be
More doubt the when you say you're in love with me
I know that I should be ware
But I don't care
Cause even if you fade away
Tomorrow is another day for
Dreaming

Let me dream
Don't wake me
Just let me dream of you
