

## 12345 (GET REAL)

Leven Kali

Gimme 12345  
I just wanna feel alive  
Baby don't kill the vibe  
Can we get real tonight  
Can we get real tonight

Gimme 12345  
Minutes and I'm down to slide  
Back to the crib if you down to ride  
Can we get real tonight  
Can we get real tonight

Ooowowoooo

Back to the crib if you down to ride
