

A Visit from Drum

Liars

Your blood can tell you
All the others say

Arched waves of ceiling
Could stand outside the door

When the powers out and it's dark in the house
I will run
When the powers out and it's dark in the house
I will run

Run
Run
Run

Your blood reveals it
Reveals it
Reveals it
Reveals it
All the others say
All the others say
All the others say
