This Dust Makes That Mud

You talk of yourself We're the ones who can't sleep at night You talk of yourself You talk of yourself We're the ones who can't sleep at night

Mankind's frozen tears Mankind's frozen tears Mankind's frozen tears Mankind's frozen tears Just staring at Just staring at Just staring at

These are the days it must happen to you These are the nights that you must live through These are the days it must happen to you These are the nights that you must live through These are the days (these are the days) Mankind's frozen tears Mankind's frozen tears

Just staring at Just staring at Just staring at

You talk of yourself We're the ones who can't sleep at night You talk of yourself You talk of yourself We're the ones who can't sleep at night Liars
