New Day

New Day

I will love you more than me and more than yesterday If you can but prove to me you are the new day Send the sun in time for dawn, let the birds all hail the morning Love of life will let me say you are the new day

When I lay me down at night, knowing we must pay Thoughts occur that this night might stay yesterday Thoughts that we as humans swore, could slow worlds and end it all lie around me where they fall, before the new day

One more day when time is running out for everyone Like a breath I knew would come, I reach for the new day Hope is my philosophy, just needs days in which to be Love of life means hope for me, born on a new day

You are the new day
