

# Automobile Blues

Lightnin' Hopkins

[Verse 1]

I saw you ridin' 'round  
You ridin' in your brand new automobile  
Yes, I saw you ridin' 'round  
You was ridin' 'round  
In your brand new automobile  
Yes, you was happy sittin' there  
With your handsome driver at the wheel  
In your brand new automobile

[Verse 2]

Yo' face was tinted with powder  
Your lips all full a-rouge  
Yes, yo' face was tinted with powder  
And your face all full-a rouge

Yes, but I knowed you was comin' home  
When you found out your driver  
Didn't mean you no good  
In your brand new automobile

[Verse 3]

Out of all you've done, baby  
Darling, you know I love you still  
Out of all you've done, baby  
Darling, you know I love you still  
Yes, I know you don't worry about no one driver  
There's too many lane to drive your wheel  
In your brand new automobile
