

# I'm Tired Of Trouble

Lightnin' Hopkins

Tired of so much trouble,  
Trouble I've been havin' all my days  
Tired of so much trouble,  
Oh Lord, had it all my days  
Some time I be troubled,  
And the woman, gonna take poor Lightnin' to his grave

I told my mama I was in trouble,  
Something I didn't want her to know  
Told poor mama I was in trouble, yeah, yeah  
Boys, I went as fast as I could go  
Mama said, "son, you in home now,  
I'll pray you don't be trouble no more"
