Lil Durk

B Hunna on the beat  
You are crazy (You are crazy)

When you wake up off them pills, that feeling terrible  
The worst thing to be known is when they scared of you  
And they gon laugh right in your face when they ahead of you  
And to be technical, that shit we do is federal  
All the tearbacks from this life is so unbearable  
You a copycat, that's not lean, that's Theraflu  
I'ma jump from the top of my money with a parachute  
And who you look up to? A ho I wouldn't dare salute  
I keep taking care of my killers they wouldn't care to shoot  
I got your address from a bitch, just for a pair of shoes  
You gotta text, like "He got hit", that shit be scary news  
They told me get up out the streets, you can go back to school

My life hurt so bad, thinking 'bout if you was here what kind of life you would have  
Nowadays the way we live, we live life on the edge  
Nowadays the way we live, you would die if you scared

This life is for the ghetto  
This life, this life, this life  
This life is for the ghetto  
This life, this life, this life

Nobody put fear in us  
I put real life inside this music, they not hearing us  
I know it's real, I had some real killers tearing up  
I did all I can for 'em, they not sincere enough  
They stopped believe in me way back then, they can't cheer at us  
They get treacherous, that's why they don't mention us  
Why you holdin' onto a snitch, just give that victim up  
They can't take care of us alone, that's why they cliquing up  
They told me to go pop and get the trenches up  
I say fuck that shit, four killers inside a Bentley truck  
Would have been five but one of them died, so I was giving up  
Wish I talked to him on the last call, told him live it up

Where the love? Where the love?  
You know it's tiring tryna clean blood from the rug  
You know it's tiring watching my back and ducking slugs  
I know 2 robbers said they tired of sticking up

This life is for the ghetto  
This life, this life, this life  
This life is for the ghetto  
This life, this life, this life  
This life is for the ghetto  
This life, this life, this life  
This life is for the ghetto  
This life, this life, this life
