

# Every Night

Lil Durk

I was born real, that's how I'm gone die  
Nigga say he real but I know he a lie  
Momma used to worry, baby you ain't gotta cry  
It ain't nothing but killers by my side  
Down to ride  
I be out here every night, every night, every night  
I be out here every night, every night, every night  
I be out here every night, every night, every night  
I be out here every night, every night, every night

She wanna suck on my ethika  
I'mma pull up in a Tesla  
Got them all mad cause I'm sexting her  
She with me while you texting her  
I'm in the trenches in vintage  
I should nail all of my bitches yeah  
I just put roleys on wrists, yeah  
I want it all and i meant it  
I'm getting money cause I'm a star  
You should see me pulling out a lot  
Christian my shoes my religion true  
I just look up and say, help me god  
Niggas is bitches and they so fraud  
Don't look away, you know who you are  
Hold up your audemars  
Let's get it!

I was born real, that's how I'm gone die  
Nigga say he real but I know he a lie  
Momma used to worry, baby you ain't gotta cry  
It ain't nothing but killers by my side  
Down to ride  
I be out here every night, every night, every night  
I be out here every night, every night, every night  
I be out here every night, every night, every night  
I be out here every night, every night, every night

Pop out the cut with the fifty  
Ape on me, feel like I'm fifty  
Smoking on opps I get trippy  
You said I was broke, boy you kidding  
I feel like a hero this H on me  
Bitches be dying just to taste on me  
The feds put a rico case on me  
Fifty a show its not make believe  
I do a scarf for a belt  
Robbers I don't need no help  
I told all my brothers I'm there  
Pour me a eight in a samp  
Wanna feel my pain just sip  
Wanna feel my pain just sip  
You wanna feel my pain just sip  
You wanna feel my pain just sip

I was born real, that's how I'm gone die  
Nigga say he real but I know he a lie  
Momma used to worry, baby you ain't gotta cry

It ain't nothing but killers by my side  
Down to ride  
I be out here every night, every night, every night  
I be out here every night, every night, every night  
I be out here every night, every night, every night  
I be out here every night, every night, every night
