Niggas talk to me about fire
Told my niggas I'd be rich they called me liar
And now they buyin' fame but get burnt playing with this lighter
I come through late nights with this 40 and bright they night up
They grab number nine for a homicide
Left me traumatized, now I'm screamin' fuck the other side
Rider, grab the glizzy, I'mma slide 'em
Fuck all these rumors, I keep my pride on [?]
