

## Street Prayer

Lil Durk

I don't know about you, but I ain't tryna die young  
I don't like to brag about the shit that I done  
I took good care of the streets, I'm a icon  
I got snaked by some niggas, took care of my son  
And they put that on they lawyer, got no title  
The way you wrote that statement you a writer  
Told on him in the station, gave him right up  
D D D-town with no lawyer, we're survivors  
I'ma cut your ass right off, hang with my rivals  
Catch a case while you a felon, I say it's my gun  
They got my picture in the feds, say I'm a Disciple  
They say I switched up 'cause I don't believe in the Bible  
First time on the head, I kept my eyes closed  
Only nigga I'm scared of is John Doe  
And no support'll make your time slow  
Just a real nigga without trying to

See the trenches', head made up  
Lil nigga get my weight up  
Hard work and dedication  
Street niggas need a prayer  
Street niggas need a prayer  
Street niggas need a prayer  
Street niggas need a prayer  
Street niggas need a prayer

It be yo dog, it be yo dog  
That shit's so crazy, what happened to Law  
When the streets took Baby D ahead came with a flaw  
Granny asked me "Where Newski at?" It's crushing my heart  
Tryna smoke on some Zazas, just pass me the tops  
The reason I can't trust y'all, you talking to opps  
That shit be strange when they say they love you  
They say I changed when I got a hunnid  
You can't complain 'cause I've been a hunnid  
War time inside the trenches, buying different bullets  
Hop out a Cutlass, right into the bushes  
Run right on them why them niggas lookin  
Blood in my eyes, they tryna get me  
I'm the most wanted in my city  
I'm the most hated in my city  
Gotta watch out for them niggas who gon envy

See the trenches, head made up  
Lil nigga got my weight up  
Hard work and dedication  
Street niggas need a prayer  
Street niggas need a prayer  
Street niggas need a prayer  
Street niggas need a prayer  
Street niggas need a prayer
