Burberry Headband

Skrtt, skrtt Skrtt, skrtt

Pulled up in a beamer, I was flexin' Poured a cup of Wok, cause I was stressin' After you, I'm fucking on your best friend She love me, she see Burberry my headband Put on all my ice now I feel so cool You worry bout a nigga like a hoe do I never chase a bitch I thought I told you I just chase the money like I'm posed to

Pull up, I was flexing out a beamer Prolly why you mad cause my shit cleaner Running to the bands like a competer Fuck her till the mornin' then I leave her Don't address me you is a broke nigga, aye I don't wanna see you at my show nigga She wanna text me she must throw throat, aye But first impress me bitch bring me dough, aye

Pulled up in a beamer, I was flexin' Poured a cup of Wok, cause I was stressin' After you, I'm fucking on your best friend She love me, she see Burberry my headband Put on all my ice now I feel so cool You worry bout a nigga like a hoe do I never chase a bitch I thought I told you I just chase the money like I'm posed to

All these niggas asking how I do that They say I been drippin', I been knew that And when I say your name they asking who dat And I just got a cheque and went and blew that Lil baby why you lyin' you don't fuck wit me You just want these bands that's why you stuck to me I just got a 4 and I just poured the lean I just cracked a wood and I just roll the gas

Pulled up in a beamer, I was flexin' Poured a cup of Wok, cause I was stressin' After you, I'm fucking on your best friend She love me, she see Burberry my headband Put on all my ice now I feel so cool You worry bout a nigga like a hoe do I never chase a bitch I thought I told you I just chase the money like I'm posed to
