

Ugh, ugh, uh  
Ugh, Ooh

Iced out my shit running to the bank now  
We still pop them shits don't feel the same now  
Kari would flip if he seen how I spend my days now  
Only designer shit, run around with cake now  
Iced out my shit running to the bank now

I told all my niggas we gon' ball in the hills  
We was in deep that's why I stack my fuckin' bread  
We was rob a nigga, beat a nigga, leave him red  
We was 'possed to be here but I took his spot instead  
Yesterday had them rockets, but today we holdin' bands  
Now all we smoke is pack, you pop them fuckin' xans  
And last year he was free but now my brother in the jail  
Told him we gon' do it, that's why I'm stickin' to the plan

Iced out my shit running to the bank now  
We still pop them shits don't feel the same now  
Kari would flip if he seen how I spend my days now  
Only designer shit, run around with cake now

And I drink too much lean I need to stop that  
And my nigga hold the beam, better strap that cock back  
And we finna check your crib, you better lock that  
I was in LA with' the top back  
Pull up with a spot, clip like 32  
New Patek with' a iced out chain, I got that too  
Nigga you coulda been here, that's why I was hurtin' you  
Blue strip what I carry I be comin' through

Iced out my shit running to the bank now  
We still pop them shits don't feel the same now  
Kari would flip if he seen how I spend my days now  
Only designer shit, run around with cake now
