

Skyscrapers [Love Now, Cry Later]

Lil Peep

Hotel rooms and skyscrapers
I got a new pair of shoes to impress her
She fell in love with the devil, the worst
Love now, cry later, it hurts

Love now, cry later, cry later
But I always take the chance
But I always take the chance
If I could save her
If I could save her
She said she got other plans, damn

Hotel rooms and skyscrapers
I got a new pair of shoes to impress her
She fell in love with the devil, the worst
Love now, cry later, it hurts
