

Text Me

Lil Peep

Jeez, la, la, la
She said, "Why you never text me?
Ever since you left me"
She said, "How could you forget me?"
She said, "Why you never text me?"

She said, "Why you never text me? (Text me)
Ever since you left me" (Ever since you left me)
She said, "How could you forget me?" (How could you forget me?)
She said, "Why you never text me?" Ah (Why you never text me?)
Baby, come and bless me (Baby, come and bless me)
My baby think I'm sexy (Baby think I'm sexy)
She said, "How could you forget me?" (How could you forget me?
Yeah)
She said, "Why you never text me?", ah (Why you never text me?)

She said, "Why you never text?" (Why you never text?)
You used to go around and flex me (Used to go around and flex)
Come around and stress me (Come around and stress me)
That shit don't impress me (Oh)
I'm the only one that knows your fear
See, I know you better than you think
Always hit my line, like, "We should link," oh, I
Don't go around and checkin' on me
Go, baby, they've got nothing on me
I told you you'd be coming back
Now you want me back, but baby, I don't fuck with ya

She said, "Why you never text me? (Text me)
Ever since you left me" (Ever since you left me, Yeah, but baby
, I don't fuck with that)
She said, "How could you forget me?" (How could you forget me?)
She said, "Why you never text me?" (Why you never text me? Yeah
, but baby, I don't fuck with that), ah
Now you come and bless me (Come and bless me)
My baby think I'm sexy (Baby think I'm sexy, Yeah, but baby, I
don't fuck with that)
She said, "How could you forget me?" (How could you forget me?
Yeah)
She said, "Why you never text me?" (Why you never text me?), ah

She said, "Why you never text me?
Ever since you left me" (La, la)
She said, "Why you never text me?
Ever since you left me"
Jeez

How could you forget m- ah, run it back
