Lilly Wood & The Prick

I fought back
Too loud
You've had enough
I've had enough, it seems like we're done
From now on
I will wake alone
I am not annoyed
I know myself and nobody else

You went too far
You've been bad
To take me in your arms
It won't make it last

You went too far
You've been bad
To take me in your arms
It won't make it last

I lick
My wounds
It's what I'm used to do
I'm getting good, I'm getting good
This tear
On your cheek
Is just a drop
In the ocean of the other boys

This thing
Is making me
Much stronger
Than I thought
I could be
Ever
I could be
Ever

This thing
Is making me
Much stronger
Than I thought
I could be
Ever
I could be
Ever

You went too far
You've been bad
To take me in your arms
It won't make it last

You went too far
You've been bad
To take me in your arms
It won't make it last

This thing

Is making me
Much stronger
Than I thought
I could be
Ever
I could be
Ever

Ever
Ever
