In a very unusual way One time I needed you In a very unusual way You were my friend Maybe it lasted a day Maybe it lasted an hour But somehow it will never end In a very unusual way I think I'm in love with you In a very unusual way I want to cry Something inside me goes weak Something inside me surrenders And you're the reason why, you're the reason why You don't know what you do to me You don't have a clue You can't tell what it's like to be me looking at you It scares me so that I can hardly speak In a very unusual way I owe what I am to you Though at times it appears I won't stay, I'LL NEVER GO. Special to me in my life Since the first day that I met you How could I ever forget you Once you had touched my soul In a very unusual way You made me whole
