

# Taken

Linda Perry

You look so sweet  
When you're smiling  
And when you're sad  
You get so heavy

And when I'm around  
You're like a big baby, ohh  
And by my surprise  
I'm so taken, ohh

Cause I'm, la la la  
Yes I'm, I'm so taken

It gets so cold  
When you're angry  
And I get so numb  
When you bekeep swinging

And your cheap shots  
Are keeping me from believing, ahh

And by my surprise  
I'm still taken

And I'm, la la la  
I'm, I'm so taken
