

# In My World

Lindsey Buckingham

Fare  
Farewell heart of gold  
Maybe we're lost without a cost  
Of stories that we've told

In my world everybody stays  
Nobody wishes for words they couldn't say  
Bless my soul  
Let the night unfurl  
Dancin' spinnin' dreamin'  
Singing in my world

Fare  
Farewell liberty  
Maybe we're lost without the cost  
Of who we used to be

In my world everybody stays  
Nobody wishes for words they couldn't say  
Bless my soul  
Let the night unfurl  
Dancin' spinnin' dreamin'  
Singing in my world

Lay  
Lay down  
For a bout  
Take your time to cross the line  
All without a doubt

In my world everybody stays  
Nobody wishes for words they couldn't say  
Bless my soul  
Let the night unfurl  
Dancin' spinnin' dreamin'  
Singing in my world

In my world everybody stays  
Nobody wishes for words they couldn't say  
Bless my soul  
Let the night unfurl  
Dancin' spinnin' dreamin'  
Singing in my world

In my world everybody stays  
Nobody wishes for words they couldn't say  
Bless my soul  
Let the night unfurl  
Dancin' spinnin' dreamin'  
Singing in my world
