

Listen!  
Just breathe  
And take this noise with you  
I'm so bored, tired, young and pretty  
I'm just like you  
Get out!  
God is living on the cover of a magazine  
They say "you're right! ok!"  
We need Fame to forgive our sins  
We live on the cover of a maga...

...zine  
Life is vanity  
Reality or sin?  
We live in a magazine  
Life is vanity  
Reality or dream?  
We live in a magazine

"There's no time...it's show time"  
Dura lex sed lex  
At what time is war tonight?  
Fame! Fame!  
Kill! Kill!  
Another life  
Another hero  
Sweet life let me see...  
God is living on a cover of a magazine  
They say "you're right! ok!"  
Andy Warhol having a party  
On a Copacabana beach  
I'm a maga...

Zine  
Life is vanity  
Reality or sin?  
We live in a magazine  
Life is vanity  
Reality or dream?  
We live in a magazine

Fame!  
Hidden tears flow over your lips  
Fame!  
Delivering things you are not looking for  
ah! ah!  
"i wanna be someone else"  
ah! ah!ah! ah!ah! ah!ah!  
It's another contraddition!

now the world is disappearing in me  
and now the world is disappearing in you  
Join the hall of Fame  
to fade out faster!  
Join the hall Fame  
to fade out faster!  
enjoy the hall of Fame...

and now the world is disappearing in me...
