

# Road to Heaven

Lionel Richie

Been a long time  
Since I've seen your face  
You've been on my mind  
Like a dream I can't erase  
It's time for me to come home to you

I'm on the road to heaven  
I'm on the road to heaven  
Comin' home to you

Been a long time  
Since last time we made love  
All the things we used to do baby  
All the things that made me fall in love

I'm on the road to heaven  
I'm on the road to heaven  
I'm on the road to heaven  
I'm on the road to heaven  
Comin' home to you

I'm coming home (8x)

Comin' home to you

Too long I've been walking around wondering,  
But I'm coming home to you
