

LOGON

Lipali

I'm the cosmic ray
I'm going straight ahead
to undiscovered part of
space in front of me
no one can catch me but some of you should try

I'm the ace of spades
I am the strongest card the winner in this game
space in front of me, no one can catch me but some of you should try

space in front of me, no one can catch me but some of you should try
(space in front of me, no one can catch me; but some of you should try)

space in front of me, no one can catch me but some of you should try
space in front of me, no one can catch me but some of you should try
