

# Never Set Me Free

Lisa Stansfield

Babe I'm ashamed  
Didn't mean to cause you pain  
And I hurt too for hurting you  
And I won't let you go

And I don't wanna say goodbye  
And I didn't mean the things I said last night  
I flew off the handle  
And had too much wine  
And I'm sorry for the hurt I've caused you

Never set me free  
Don't wanna know just how sad I can be  
Never set me free  
'Cos baby that's the last thing  
That I wanna be

I apologize  
Can you forgive me the lies  
'Cos I want so to let you know  
That I won't let you go  
And I don't wanna say goodbye  
And I didn't mean the things I said last night  
And by tomorrow  
I still wanna be with you  
Be with you forever more

Never set me free  
Don't wanna know just how sad I can be  
Never set me free  
'Cos baby that's the last thing  
That I wanna be

I don't wanna be without you  
Let's stay sweet  
I don't wanna be without you

Just keep me with you  
Baby  
Never let go 'cos I know there's more  
Can you forgive me

Never set me free  
Don't wanna know how loveless life can be  
Never set me free  
'Cos baby that's the last thing  
That I wanna be
