

# Shroud

Lissie

In a shroud, all my curtains have come down  
And inside, I can barely mutter a sound  
Outside, I know the light still shines for those who hope  
But I can't and I don't and I won't

That's the closer and that's the deal  
Only I decide how I feel

I feel like I have lost my mind  
I feel like I have lost my mind  
Something's missing, I just cannot find it again  
Where are all my friends?

In a cloud where the spirits live another day  
Why don't they come on down and encourage me to stay?  
I know the thing that everybody says  
That it's OK, but I am broken  
And there's no hoping, all this talking

That's the closer, that's the deal  
Only I decide how I feel

I feel like I have lost my mind  
I feel like I have lost my mind  
Something's missing, I just cannot find it again  
Where are all my friends?

Return to me  
Return to me  
Return to me

I feel like I have lost my mind  
I feel like I have lost my mind  
Something's missing, I just cannot find it again  
Again, again  
Again, again  
Where are all my friends?  
Where are all my friends?
