

# I'd Like To Offer You My Dearest Apologies

Listener

I'm a deer caught in the headlamp glow of your traffic jam life  
. and so  
Murderously I stand innocently all wrapped up into one  
Here in your path  
Crash  
And all I can think of is no  
And all you can think of is no  
No, I don't want to  
No, I don't need this  
No, I don't know what to do  
It's my last decision and it was so selfish. I wasn't thinking  
of you  
And now I've killed you and you've killed me  
And I did it so stupidly, please forgive me  
I wanted it so bad crouched in the darkness. I couldn't wait ei  
ther, staring into your eyes  
I wanted what I couldn't have, and that was so heartless  
I saw the light and my legs began to rise  
Why I waited until you came along? I don't know

As I sit here in a pile of myself thinking about it all  
Was it rash, or was this my fate? I'm sure it wasn't yours  
I'll take the blame, it was me who came into your path  
If it's all the same, I'm really sorry  
I can understand your families sad  
And if you can't accept my apology please don't feel bad about  
Cursing my name (atreya)  
I'm just a deer who got caught. I got scared  
And I forgot what it was I was doing, what I was pursuing  
It's not the way I usually run my life  
What a mistake  
The whole time I'm asking: what am I doing? who is this running  
my thought process?  
I wish I would have thought before I did what I did  
And for that I'm sorry. I offer you my dearest apologies
