

I'm Just a Lonely Guy

Little Richard

I'm all alone
Alone in this world
I'm all alone
And I lost my only girl
I'm all alone
Yes, I need some one to love
I'm all alone
Alone in this world
Once I had a love
[Incomprehensible]
But that love struck me
She up and put me down
I'm just a lonely
A lonely, lonely guy
A lonely guy in this town
Oh, yes
A lonely guy in this town
If my baby
Can't be found
I'm going to the river
Jump overboard and drown
I'm just a lonely
A lonely, lonely guy
I feel so low down
Oh, feel so low down
If my baby
Can't be found
Yes, I'm going to the river
Jump overboard and drown
I'm just a lonely
A lonely, lonely guy
And I feel so low down
Oh, yes, so low down
