## I'm Just a Lonely Guy

## **Little Richard**

I'm all alone Alone in this world I'm all alone And I lost my only girl I'm all alone Yes, I need some one to love I'm all alone Alone in this world Once I had a love [Incomprehensible] But that love struck me She up and put me down I'm just a lonely A lonely, lonely guy A lonely guy in this town Oh, yes A lonely guy in this town If my baby Can't be found I'm going to the river Jump overboard and drown I'm just a lonely A lonely, lonely guy I feel so low down Oh, feel so low down If my baby Can't be found Yes, I'm going to the river Jump overboard and drown I'm just a lonely A lonely, lonely guy And I feel so low down Oh, yes, so low down
